“ I was Married to Cynthia(Candy) for 14 years, we had two wonderful children, Cathy and Victor. She was a kind hearted, sweet, witty Lady. She had one flaw, she cared more for others than herself. Like our Son Victor, who past just a 2 years before, they were much more concerned with how the ones they loved were doing than themselves. This makes her passing 10 times more painful to those she loved. Not only because they will miss the person but truly miss the positive, loving support she gave. Rest in Peace and take care of our Boy till I arrive.

“ She was my Mom. She loved me. She was always very good to me. She took care of me every way she could. I will miss her forever. She died from this God forsaken disease.
