“ Mom you are deeply loved every day that goes by I think about you. Danica misses you every day I just had my first Christmas without you but I know you are here with me in spirit! You were a blessing and loved deeply by me and a lot of people, you didn't deserve to leave this world the way you did, I will do my best to follow your wishes and make you happy in every way possible. You were my life and gave me life and will always be cherished every day and your memories will never fade. Forever and always, your son, Derek.

“ I only met Debi a few times when I was a little girl. She was married to my cousin Gary. I thought she was the most beautiful woman I had ever seen and she was so kind. I'm so very sorry for your loss. Sending love and prayers.
