“ Bobbie was my neighbor for many years and always had a smile and conversation for us. We will miss her beautiful soul. Mary Padgett

“ I loved Miss Bobbie.....she could always make me smile . She had the gift of gab ( I mean that nicely) and so do I . We always connected that way and had never ran out of anything to say. There was never a time that she didn't talk about her family. She loved all of you so much . The kiddos had a special place in her heart. I sat with her at McDonalds and we chatted , laughed and had the best time. Wish we would have done that more often. Sweet sweet friend I will miss her.
