“ *When I first think of Bryan , I remember my daughter, Cathy Kincade Walters, giving him a haircut. It was not a pretty picture! I remember him, Erlene , Jimmy and Bryan with fond memories and some fun times. My heart goes out to the family for losing one so young. It is so hard to have to bury one of your children. Love and sympathy. Gabby (Elizabeth Newman)*

David and I really liked Bryan. He was down to earth and genuine. He cared about others. He had a sense of humor that could keep you entertained for hours.

Guy, my middle son, said he really like Bryan, also.

I am so sorry Bryan has passed, but remember the part of Bryan that made him who he was is not gone.

Our soul lives forever. Hold on to that thought.

I bet David has met him in Heaven and showing him around and they are joking with each other.

I know it hurts, but as time goes by, it will lessen.

My prayers are with all of you.
