“ My Dear Sister Carolyn

The oldest of us seven girls, you played a strong role in assisting our mother by changing diapers, and putting a spoon in our mouths. I bet our mother was very proud of you for stepping up and in when needed, all while being a young teenager yourself. I know Carolyn you did an awesome job in protecting all of your brothers and sisters as if we were your own child, teaching us how to cook, clean and do laundry but most of all “To Love Each Other”. Thank-You for listening to us when we needed someone to talk to, and for all the laughs, and tears we shared throughout the years. I will never forget singing to the oldies with you in the car on our way to and from your doctor’s appointment(s). Sis you will be dearly missed and never forgotten. I know that you will continue helping Mom watch over us in the many years to come... Until we see each other!!! Love You! Bonnie
