

Charles "Chuck" E. Dixon

January 24, 1968 - June 2, 2019

Charles "Chuck" E. Dixon, age 51, of Tulsa, OK died tragically in a helicopter crash on Sunday, June 2, 2019 in Ozark, AR.

Chuck was born on January 24, 1968 to overjoyed parents, James and Geraldine Dixon in Wichita, KS. He grew up in Tulsa and in Grove, graduating from Grove High School in 1986. In 1988, he married his high school sweetheart, Angela Hilton. From this union came 2 wonderful children and 26 years of marriage.

Chuck's career spans over 25 years with PSO and GRDA. He began in 1994 as a meter reader for PSO, and in 1999 he became a lineman. In 2011, Chuck transitioned to GRDA as a transmission lineman.

Chuck was always the adventurous type. His childhood interests included scouts, midget car racing, livestock shows, wrestling and of course, OU football.

Along the way, his lifelong dream of flying was achieved when he became a licensed helicopter pilot. Chuck's journey took him back to Tulsa, where he began building his own flight company. Joining him in this adventurous dream was his life partner, Becky.

Chuck was caring loving and devoted man, adored by everyone who met him. He was a hard worker, a racing enthusiasts and pirate, not to mention the ultimate Eagles and OU fan.

He was preceded in death by his father, Jim, Dixon.

Left to cherish Chuck's memory: mother, Geraldine Dixon of Jay, Ok; two

sons, Derek Dixon and wife, Casey of Grove and Blake Dixon of OKC, OK, three treasured grandchildren, Akira, Maddoc and Idony Dixon; the mother of his sons and grandparenting partner, Angie Dixon of Grove, OK and Becky Woodward, his life partner in adventure and dream chasing, and her daughters Jessi and Maddi, and a tremendous host of family and friends. Visitation will be held from 6-8pm Friday, June 7 at Nichols-Stephens Funeral & Cremation Services.

Funeral services will be at 2pm Saturday, June 8, 2019 at the Crossroads Church, 6900 E Highway 59, Fairland, OK 74343. Burial will be at Zena Cemetery.

“ Chuck was a great person! A fellow band member and classmate I will always remember him for being such a great musician in band! He always had a smile on his face. I am so saddened by how tragically he was taken - another great loss for the Ridgerunner class of '86. FLY HIGH CHUCK- you have your own wings now

Robin Glenn (Griggs) - June 04, 2019 at 07:00 PM

“ I have known Chuck a long time. I met him the first day he moved to Grove. I had the privilege and honor of getting to sit next to Chuck for Band and in classes in Grove. Chuck always had a easy smile and a warm greeting when I saw him. I was lucky to get to see him recently in Grove, taking time out for his family and having a meal with them. We talked and laughed about how he used his helicopter to dry the Grove baseball field. I told him only he was crazy enough to entertain us by hovering over the field to get it dry to play a tournament there. What a kind and generous heart he had to still give back to the school. A true friend and Ridgerunner. Chuck, Soar high with the Eagles but now with Angel wings. With every gentle breeze I will look to the sky and thank God for letting me know you.

“ *Our Families hearts were broken when we got the news early Monday morning. There are many fond memories from high school, but this memory was from a few years ago. I was out mowing the yard and saw this helicopter fly over the next thing I know it's hovering over our house and barn. I'm thinking it's life flight needing a place to land..... Nope it was Chuck and Becky on their way back from an event in Arkansas. When he landed I laughed and said,"Are you needing a restroom break? He said no just wanted to say hello. 😊 Chuck and My husband Kevin had some fun and very memorable helicopter rides together. One bring hovering over the BOK Center until they had permission to land. Fly High "Chuckles" Fly High ❤️*
