Some of his favorite teams were the Kansas City Chiefs, the Kansas City Royals, and the Kansas Jayhawks. Dan’s favorite holiday was Christmas and dedicated an entire room to his Santa Claus collection.

“ Lori, Andrew, and Samuel,

Holding all of you tightly in love and hope! Hope that the pain of letting go of Dan in this world will find its way to the forever that is ahead of us all. I know Dan had a welcoming party standing tall as he entered heaven's gates. I can see my Mom and Dad giving him so much love. Of course Mom is asking all sorts of family stories and listening carefully. Dad and Dan are both telling their best fishing and traveling stories. Only God knows which ones will be true!! Without any doubt, my life has been so much better, lighter, and loved because of your amazing family. Thank you and God Bless you all. There will be tough days ahead, but there will also joy, hope, and laughter. Have faith in each other and remember it is never a walk any of us have to make alone. Sending you my very best "Vicki" hug ever!!

“ I'm so sorry to hear of Dan's passing. He was my next door neighbor while living in Silver Lake. He was a good kid back then, and from everything I've read on Facebook, he grew up to become a wonderful husband, father, friend and all around great man. May he Rest In Peace and may his family find comfort in all of their great memories.

*Sincerely
Susan (Tollefson) Barnes*

“ *I couldn't believe when I saw Andrews post. My heart just aches. Lori, you taught me math in middle school and supported our spirit squad. Later my husband and I enjoyed watching Andrew grow in his relationship with Christ through Awana and youth events. And it doesn't stop there, you lived behind my parents for years! Andrew, Jonathan and I send our deepest condolences*

“ My thoughts and prayers are with you, Lori, and family. I feel like I knew Dan through the the things you shared with me when we taught together at Shawee Heights Middle School. Not only you and I share the same birthday, I now know that my mother and Dan shared the same birthday as well. My husband's middle name is your husband's first name. So many things that will always connect us. I hope your memories of your life with Dan brings you much comfort.
