

Darrell G. Mastin

January 5, 1954 - September 18, 2019

Darrell G. Mastin, age 65, long time resident of Grove, OK passed away unexpectedly on Wednesday, September 18, 2019 at his home.

Darrell was born on January 5, 1954 to Gerald and Athalea (Brown) Mastin in Wichita Falls, TX, while his father was stationed at the Air Force base there. He grew up in Oklahoma and graduated from Stillwater High School in 1972. He was a three-sport letterman, President of the school's Fellowship of Christian Athletes chapter, and a member of Student Council.

He entered the United States Air Force Academy in Colorado Springs, CO in July 1972. While at the Academy, Darrell lettered three years in football and was the team's starting center as a senior. He graduated in 1976 on the Dean's Honors Roll with a Bachelor of Science in Humanities and was assigned to the Academy's Athletic Department as a Candidate Counselor and Freshmen football coach.

Two days after graduation Darrell married his "Sunshine" Diane Nicklas. He won her heart years earlier after a twenty-one cent date at the A&W. They were a match made in heaven for 43 years. His accomplishments, accolades, and aptitudes are quite impressive. But, to him, sharing a home, children, grandchildren...a life with her was his crowning achievement.

Following his year with the Athletic Department, Darrell spent three months at Vandenberg AFB, CA training as a missile launch officer, then was assigned to the 44th Strategic Missile Wing at Ellsworth, AFB, SD. At Ellsworth, Darrell held a number of positions: Deputy Crew Commander, Instructor, Combat Crew Commander, and Wing Nuclear Safety Officer. He spent two years as an assistant football coach with South Dakota School of Mines and Technology whose 1980 team won the South Dakota Intercollegiate Conference Championship and ranked 12th in the final NAIA, Division II poll. He also earned a Master of Education from South Dakota State University.

The Academy's English Department came calling and after taking a Master of Arts in English from the University of Oklahoma, Darrell became an English instructor. In addition to his teaching responsibilities, Darrell became the Academy's FCA sponsor and worked as an assistant football coach at the Air Force Academy Preparatory School. He was named "Outstanding Military Educator" in 1985. After two years on the faculty and traveling with the Academy's Executive Writing Team, Darrell fulfilled his requirements for an assistant professorship, but chose to take the position of Head Football coach at the Prep School. He was named Colorado Football Conference "Coach of the Year" in 1988.

Darrell left the Academy Prep School in 1990 to join the Academy Athletic Department as a Weight Training and Unarmed Combat instructor, also helping out the 1990 Liberty Bowl Champion Falcon Football team as a defensive line coach.

When he left the Air Force, Darrell took a position teaching Humanities and English and as Head Coach of the football team at Harrison High School in Colorado Springs. The team learned the fundamentals of football, respect, and character from Darrell and went from a string of 1 win seasons to an up-and-coming program. It was some of his most rewarding work.

Darrell and his family moved to Grove and he became the head football coach at Grove High School and taught English and Humanities for 2 years until 1998. Darrell's dedication to and support of Grove Public Schools was showcased on Friday nights for the past 19 years when he enthusiastically announced the Ridgerunner football games on KGVE.

In 1999, Darrell began his career as a Financial Advisor with Edward Jones Investments. His heart for people and his mind for teaching and coaching led to a long, fulfilling career and many lasting relationships. He served as the Compliance Culture Leader and was a key recruiter for the local Edwards Jones region. He loved Edward Jones and all the outstanding people it brought in to his life.

Darrell's genuine interest in people and desire to improve his community motivated his many contributions to Grove. He was active with the Delaware County Republicans, on the Board of the Heavenly Angels Hospice House and the organizer of the annual City of Grove's Independence Day Celebration. His absence will be felt throughout the community.

Though his career and accomplishments have been celebrated here, his true legacy, shown in the kindness and support he offered to each and every individual he encountered, is his relationship with his Savior, Jesus Christ.

He is preceded in death by his father, Gerald Mastin.

Left to carry on Darrell's legacy: wife, Diane Mastin, his mother, Athalea Mastin of Shawnee, OK; son, Zachary Mastin and wife, Niketa of Grove, OK, daughter, Rachel Stanley of Joplin, MO; brothers: Ford Mastin and wife, Terri of Shawnee, OK, Kyle Mastin and wife, Ivonne of Atlanta, GA and Gene Mastin and wife, Heather of Stillwater, OK; grandchildren: Walker West, Piper

Stanley and Elizabeth Stanley, and many loving nieces and nephews.

A visitation for family and friends will be from 5-7pm Monday, September 23, at Nichols-Stephens Funeral & Cremation Services. Funeral services will be at 2pm Tuesday, September 24, 2019 at Grove's First Baptist Church.

The family request that donations be made to Heavenly Angels Hospice House or Ridgerunner Athletic Vision for Excellence in c/o the funeral home at 10201 US Hwy 59 Grove, OK 74344 or online at:

AR

“ Zack, Rachel and Diane,

Our deepest sympathies for your loss. While our hearts are broken over the loss of Coach, we know our pain is immeasurable to yours. To be honored enough to become part of his world was to get you three as unexpected bonuses. The three of you are as much a part of our family as he was and know you are loved from afar.

I've spent the last few days trying to find the right words for who Coach was and how me and my family felt about him, but there are none. Coach was a force of nature with no equal. Entanglement is a phenomenon in quantum physics that states when two particles interact upon separation they remain intertwined in a sense that they will always share characteristics despite distance. That phenomenon describes Coach as well. To know him was to forever be changed by him.

I don't know at what point at Harrison he became a part of my family, but he did. He was my mom's compatriot and right hand man constantly coaching and refereeing my brother and I through life. And at times he served as her "muscle". Our senior year of high school my brother's language on the field had Coach so infuriated that he kept him after practice to run a "fumble drill", the likes of which I've never seen matched. My most prominent memory from that day aside from how hard Coach drilled those footballs at the ground was upon completion, the very first thing out of Coach's mouth was "Dadgummit, I love you Marcus!". But, that was the thing about Coach, at the center of everything he did was love.

His hallmark is intertwined throughout us as individuals and as a family, and for that we are eternally grateful. Thank you for sharing him with us and joining him on all his journeys. He will forever be remembered and treasured.

*Love,
Allison, Linda and Marcus*

P.S. Tears are prayers from our heart to God

“ Dear Diane,

Wanted to share my online condolences with you. How saddened I was to read about Darrell's death in the Stillwater NewsPress. What a great loss to you and your family.

Will try to add a photo of your sweet Darrell as he greeted me at our 30 yr. High School Reunion. He had learned that I was recently widowed, took me under his wing as we went around the room meeting and greeting our fellow 1972 C.E. Donart High School graduates. Your husband was always such a gentleman! After losing my first husband to cancer at age 49, I moved back to Stillwater. I came home that night rejuvenated that there was happiness after my sorrow. Yes, life goes on.

Diane, my thoughts and prayers are with YOU during this difficult time. Be strong, my dear, and know that our Lord is closely watching over you and all of your family.

“ Coach Mastin was inspirational in my life. In first met Darrell at the prep school as he was my position coach. He continued to mentor me throughout my cadet career and in 1987 he helped me accept Jesus as my lord and savior. After my graduation in 1989 we continued to work together until I left for pilot training in 1990. To the family I send my true condolences and pray for God's blessing on your lives.

*Kevin Bell, USAFA 89

Rachel Mastin Stanley - September 26, 2019 at 08:06 PM

DC

I am so sorry for the late respects but out of the blue i googled Coach Mastin and ran across this. I was an assistant coach from 1988 and 1999/Wide Receivers with USAFA Prep School. He gave me a chance to be on his coaching staff as an enlisted person. I admired him not only as an Officer, Coach but as a man. He made an impact on me. God bless your family.

*Dwayne R. Causey
Assistant Coach USAFA Prep 1988-89*

Dwayne R. Causey - July 14, 2020 at 12:54 PM

“ There is a huge thread in Facebook of Harrison High School alums sharing their memories and condolences. I wish you could see it. The various posts make it clear what a great man Darrell "Coach" Mastin was, and how many lives he touched. His spirit, his mentorship, and his memory will live on through all of us.

At Harrison, where many of us lacked positive male role models, his leadership was particularly important. He'd have us come watch pro football and have lunch with him at his house; he'd help our moms hold us accountable when we misbehaved; and he worked hard to teach us the values that weren't always modeled in our community. While we were more mischevious than troubled, I'm sure we were a handful--but he always helped steer us on a better course.

I still find myself repeating his various sayings to the kids I teach, coach, parent, and lead (his most famous, of course, would be "dadgummit" ... like the time he was so upset with me and a buddy that he dropped a "Dadgummit! And when I say dadgummit, I mean DADGUMMIT!"). I can't tell you how many times I've said that to my own kids! And, there are some words of advice from him that I still, and always will, live by.

He was a special man. When my best friend and I graduated from college (and hadn't seen Coach in FIVE years), he still drove 10 hours each way just to attend our graduation party.

We were all so lucky to have Coach Mastin in our lives; he will be remember long and missed often. God bless you and your family, and thanks for sharing him--however briefly--with us at our Harrison "family."

*“ Darrell always lit up the room when he was there. I have attended several functions he was in command of and boy what a host. He was involved with the Community Crisis Center and hosted several events for them to which I was a part of. He liked to inge out a familiar face and have fun with that individual. He will b missed by host of people but will always b remembered for his smile. I was proud to have known him and called him friend.

“ **Coach Mastin**

So many things to say how this man changed my life as he did for so many! Personally he not only became a mentor, but made me apart of his family, and a friend like no other. A student and a teacher, friends.... That doesn't happen every day. We would run miles after school discussing life lessons and of course football. Where should I go, big college div 1, or stay small and go div 2. I could have done the div 1 but coach always said your heart is big enough stay small and conquer life. Well I went to that smaller school and even though at the end of the day my mind and body didn't want me to play anymore. I kept his way of life work hard believe and you will go far attitude. And now I am a single father of four amazing kids and I have a successful HVAC business. Definitely been blessed and I know in my heart and soul he was a huge part of my life! I always tried to find out where my friend went. I knew he went back home. But never found out where and now I know and it's to late. But he I know now he is whith the father! I can even remember baby sitting for him and Dian. They both made you feel like you were so much more and I'm sure after these 25+ years that never stopped.

Thank you Coach for helping me and shaping me into the man I am, as you have so many others! God bless Dian and the kiddos... May God grab you for you are where you need to be now watching and helping for heaven!!

“ *Darrell was a very special, bigger than life, man. The sound of his voice made me smile inside. He had a way of always lifting me up. We also seemed to like shoes that were maybe just a little different. Knowing we wore the same size, one day I brought in a pair that I had received in the mail that would light up in different colors. He tried them on and they fit. He was just waiting for the right event where he needed that extra little flair, to borrow them. Oh, how I will miss that smile, that voice, that presence that filled any space he occupied. RIP dear friend.*

Darrell and I were classmates and members of Executioner Squadron during Basic Training at the Academy. He was in my flight so we shared the struggle from civilian to military life. He was one of the bigger guys, but I was the tallest so we marched near each other most of the summer. I remember as always upbeat, kind, and concerned for others. He was a great person to have on your team no matter the competition. He will be missed by all of us, but he left a shining legacy by touching and warming so many lives.
