“ *I have so many memories of David and Ilene when our kids were small and spending time in their home in Wichita in the summer. David always made me feel so welcome in their home. Those were happy times. David and I remained friends after Ilene passed away and visiting each other when we could. I will miss our weekly phone calls and catching up with each other's lives. My thoughts, prayers and love are with his family and friends at this difficult time.*

“ I always looked up to and admired my Uncle David, and loving thoughts of him will remain with me forever. He was a man whose essential nature was that of goodness. My wife and I are proud to have his hand-made wood carvings and drawings in our home. Over the years, Uncle David and I have enjoyed many lengthy conversations full of reminiscences, and I will cherish them until we meet again.

“ So many happy memories of all the holidays and card games with Dad and Mom and Uncle David and Aunt Sis while all us boys wreaked havoc throughout the house. Not many days go by that I don't have a memory pop in my head of those times together. My sympathy to the family and also my smiles as we celebrate Uncle David.

“ I have fond memories of visiting David, Ilene and their 3 boys in Wichita. Ilene was my mother Dote's best friend since elementary school. I loved going to the showroom where David worked and looking at all the merchandise. My deepest sympathies to Tim and Mark and their families.
