“ I have so many wonderful memories of my time with Denise. Bringing my sons to the Elbert Ranch to visit with Denise and her boys, especially the first time we saw the ostriches, are memories I will always cherish. The times spent at Centennial Airport watching the boys take their small airplane flights, and the moments Denise and I shared over the phone, over dinner, or over a glass of wine, are treasures in my heart. Those two decades of friendship mean the world to me, and I will miss Denise dearly. Condolences and love to the family. Dawn Olson
