“ I am so glad that we were able to spend time with you when we could, dad. You have given us so many memories to cherish especially when we were all younger. I enjoyed hearing all the stories from when all the kids were younger. To be able to share those memories with our children is a special blessing. We will always love you, dad, and we will always miss you. May your body Rest In Peace and your spirit dance on those streets of gold until we come HOME.
