“ Summer spent fishing at Gary's cabins in Minnesota were among some of the most vivid memories from my childhood. Time well spent from a life well lived. Thanks for the memories.

“ To Jan and family--We are so sorry to hear of Gary's passing. He was a great neighbor and friend and he will be missed in the Dogwood Drive area. Gary was so creative with his woodcraft hobby. I found an hand-carved woodpecker at a garage sale a couple years ago. When I got home with it, I was thrilled to see it had been made by Gary with his signature and date on it. It will always be a treasured remembrance. Our thoughts and prayers to the family. John & Jo Martin

To the family of Gary.....I was saddened to learn of Gary's passing. He served with me on the Perham school board for a number of years. I much appreciated his opinion & style of leadership. I especially looked forward to his realistic, honest & down to earth remarks & sharing his knowledge. He carved a humming bird for me & I treasure it. It would have been a delight to have learned how to carve from him. Joan Happel. Perham Mn
