

Glenda Kaye Dannels

April 15, 1950 - August 15, 2022

Glenda K. Dannels, age 72, of Grove, OK passed away unexpectedly on Monday, August 15, 2022, after a brief illness, and entered the Glory of Heaven and is now present with Jesus and her loving husband Terry.

Glenda was born on April 15, 1950, to Earl and Wanda (Marquiss) Sherwood in Seneca, MO. She graduated from Wyandotte High School and then attended beauty college.

On August 20, 1976, Glenda married the love of her life, Terry Dannels, in Quapaw, Oklahoma at her grandpa's church. He sadly passed away in 2019. The couple moved to Grove in 1988 and Glenda opened her own salon, "Class Acte", where she was a Stylist for many years. Her salon was appropriately named, as that was who she was, a vibrant and classy lady. At one time, her salon was a favorite hangout for the high school girls, who would flock in after school, to watch and learn, and be entertained. Customers and friends alike loved to be around Glenda, and her big smile was especially contagious.

Glenda had an outgoing, fun loving personality that people were drawn to. She never met a stranger and loved to host parties for friends and family and enjoyed swimming in her pool. The life of the party, Glenda enjoyed dancing and making other people laugh.

Glenda attended Heart of Praise Church in Grove. She will be greatly missed by her church family as well as many friends and extended family.

She was preceded in death by her parents, husband Terry, son Darin Horton

in 1990, and two sisters Phyllis Lankford and Lois Wooster. Left to cherish her memory, her sons Slade (Angela) Dannels of Chouteau, Oklahoma and Beau Dannels of Commerce, Oklahoma; mother-in-law Betty Dannels of Riverton, Kansas; 2 adored grandchildren Scout Dannels and Cody Horton, 6 treasured great grandchildren.

There will be a visitation from 5 -7pm on Thursday August 18th, at Nichols-Stephens Funeral Chapel. Funeral Services for Glenda will be held at 1 pm on Friday, August 19th at Grove Christian Center with Eric Thornburg officiating. Donations may be made to Heart of Praise Church in her honor.

“ I meet Terry and Glenda at the Liberty Baptist, in Miami, they soon became good friends with them and their children! I went with them to lay down prayers and laid hands on their baby, I was in touch after they lost Bo, it was so sad and hard for them to stay focused on each other. I always thought she was a beautiful woman and a good mother! I know that she is with him once more and that will be a blessing for her. Love her as my friend and sister in Christ! She will be missed by many.

“ *Sorry to learn of Glenda’s passing. We were childhood friends spending many hours playing in the barn and upstairs at the Young family farm. After our HS years we went separate ways with our careers and I moved away from Miami area. I do remember her always smiling.*

“ *Boys this is real sad news for me and certainly a surprise. I'm so sorry to hear about this and your mom was sure a good friend (and hairdresser too) for a lot of years. It's the loss of your mom and all the others before her that takes something away from Grove that won't be replaced. My most sincere condolences for the loss.*

“ *Oh, Glenda. My friend for many years. We knew each other from Miami, then met again when our son's became the best of friends. Glenda's shop was sort of like Trudy's on Steel Magnolias, laughing, talking, getting hair done. The HS girls would all flock in just to see Glenda. She had a heart of gold. When my daughter told her she was naming her child Darrin, I thought she would flip. She had a baby shower and kept us entertained during labor and delivery. We sure had some good times. I will forever remember my dear, dear friend!!! Fly high my friend, you deserve it. Donna Deason*

“ I got to know Glenda as she attended and supported Cody, her grandson’s baseball playing days. While my son, Travis and Cody practiced and played many games together, I was drawn to get to know Glenda’s fun, loving, and outgoing personality. We instantly became friends, and she also became my family’s beautician and took care of our “hair” needs. We spent lots of time in her beauty shop talking, getting hair done. Glenda saved my mishaps more than once. I thought I could bleach my sons hair myself, which became copper, and she corrected it by making it normal color again. The word, “culdesack,” when mentioned between us, made us both bust out laughing. While Cody played bb in Florida, Glenda and team parents stayed in a condo together. One day, Glenda and I set out to get groceries. The condo was in a neighborhood where the streets and houses mostly looked alike. With me driving, We got lost in that neighborhood 3+ times and somehow each time we ended up in the same culdesack, like a maze we couldn’t escape. We sat in that culdesack, in the car, laughed and cried so hard our bellies hurt, because we both thought we were making the right turns in the right direction. We also spent time together outside of baseball with other close friends. I will always cherish the memories that I have with Glenda and am forever grateful for her friendship. I was hoping to visit her again soon, but apparently, God had bigger plans. Her bright and loving light now shines above all of us from heavenly realms!
