“ Ah, Les, I will never forget our trip we all took to Florida. I've never laughed so much in my entire life, I will miss your ability to know when I was having an off day and to make me smile regardless of it and of course the many disagreements (discussions) we use to have. I am proud to have counted you as one of my friends. I'll miss you!!! RIP

To Garrett and Walter my sincere condolences. May God's comfort be upon you.
