“ Uncle Jim always had my back when the cousins would pick on me. He would pick me up and set me on his knee and tell me jokes or funny stories until I felt better. He always made me feel loved when I saw him. Rest in peace in the Glorious Heavens!

“ Although I spent most of my games on the bench, running "Mount Derwin"(more like climbing) help prepare me for boot camp. Way before the military, Coach instilled in us the "never quit" attitude! Coach, mentor, friend, brother in Christ, will always love him!
