“ I thought I had already left a note, but I don't see it soooo Johnny was so sweet and respectful to me. I'll miss his smiles and hugs. Only wish I could've been able to talk with him more. I'll see you in Heaven Johnny. Save me a good spot! I'll miss you brother. 🤍☀️

“ We knew Johnny from my brother's work. He worked and was neighbors with my brother and his friends at NEO Metals in Grove, OK. He loved laughing and having a good time, and worked hard because he had a rough time. He struggled and had problems, needed help. We would see him at the local DG and Gitter Done. He was always friendly, liked giving hugs and had a great sense of humor despite his obstacles and issues. Very saddened to hear this, it's not right.
