“ I was sadden to her of Julie's passing. But the memories of our time together will go on as I remember all of the times we were together. Julie crossed my path when we was in Jr. high and we became really good friends. We spent a lot of weekends together, and made the best of the time together. Goodtimes . She will be missed by many friends and especially her family. My prayers are with all and we will all see her again. Goodbye for now my friend until I see you again.

Your friend always and a sister in Christ

“ *Julie was my classmate of Jay High School. She had the sweetest personality and sweet smile. I send my prayers to her family and in my thoughts. I will miss her. We might not of seen each other often but when we did it was at least a 30-45 minute conversation of life, kids, grandkids, and past memories of our childhood!*

Jeff & Robert, we just want you to know that your mother was one of the sweetest people we ever had the pleasure to work with. She always had a smile for you when you needed her help & helpful she was as Bill needed her help often. Bill & I are so sorry for your loss. You & your dad have always been there for me & I thank you for that. Know you are all in our prayers.
