

Kenneth D. Dobbs

December 9, 1959 - February 7, 2019

Kenny “Dobber” Dobbs, 59, of Fairland, OK, passed away at Saint Francis Hospital in Tulsa on February 7, 2019.

Kenny was born on December 9, 1959, to Sylvester and Mona (Waller) Dobbs in Bartlesville, OK, where he grew up and graduated from College High School in 1978. Furthering his education, he went to Northeastern A & M College and Southeastern Oklahoma State University where he received his Bachelor’s of Science in Wildlife Management. After graduation, Kenny returned to Bartlesville to begin work at Coca Cola.

On February 8, 1985, Kenny married the love of his life, Cheryl Stow. The couple made their home in Bowring before relocating their family to Afton. Kenny had a 21-year career with REC until his health declined.

Kenny’s many hobbies included duck/goose hunting, trotline fishing, carpentry, and attending dirt track races. He was a true outdoorsman and the epitome of a family man. Many appreciated how easy he was to talk to and his genuine interest in people. A “one-of-a-kind” guy, Kenny was a loyal friend and will be truly missed.

Kenny was preceded in death by his grandparents. He will be lovingly remembered by his wife of 34 years, Cheryl and their daughters, Emily and Jakey; his parents, S.L. & Mona Dobbs; brother, Bradley Dobbs; sister, April

(Jeff) Petersen; brother-in-law Glenn (Cate) Stow; nieces, Kayla (Oscar) Zapata, Jamie (Holden) Diehl and Megan Dobbs; nephews, Seth & Trevor Petersen and Tim (Angie) Bradford.

A celebration of Kenny's life will include a short service and a potluck luncheon beginning at 1pm Saturday, February 16, 2019, at the Craig County Fairground Community Center in Vinita, Ok.

In honor of Kenny, donations can be made to the Leukemia and Lymphoma Society.

“ I found myself sitting next to Kenny in Mr Norwoods class at Central. One day he informed me "I think you are my cousin" to which I responded I don't think so. My parents informed me later that day that we we were cousins. From that point on we became great friends and cousins. We called one another cuz so often that a lot of the football team called one another cuz. Those were great times. Later in life I was fortunate enough to reconnect with Kenny and enjoyed going on fishing trips with him. I love him and will miss him dearly.

“ Oh the stories these guys told about their fishing trip. Story on this one is they caught these three and tied them on a rope overnight. When they went to check on them they were gone rope and all. Kenny drove the boat as the searched. When they finally found the stick Doug would dive down. Cut the rope and bring them up one by one and hand off to KENNY. His dad couldn't believe the effort they put into recatching those fish
