“ *Larry Don Northcutt was my brother-in-law. Our hearts go out to the family. He will be forever missed. I remember when my children were younger, we visited them in Purcell, Oklahoma. Our daughter had got Indian Bells and her and Larry were shaking the bells doing an Indian Rain Dance. Good memories.*

“ *Larry you were a good Brother-in-law. You made my sister happy. I talked to La Donna today, and we were remembering the time you and Toshia did the Indian Rain Dance in the kitchen. You a tall guy and her 5 years old, dancing all over the place. Forever Loved-Forever Missed! Prayers for all the family!*

“ I'll miss you so much grandpa. What I remember most was your laugh, you had the loudest voice when you laughed I could hear you all the way downstairs when you would come visit when I was a teenager. I also remember going to your house in Purcell when I was a kid and eating all your club crackers while I would hang out in your den watching TV. I'll always regret that I didn't get to spend a little more time with you as I got older, life goes by so fast and sometimes we forget to stop every once in a while and take a moment to remember who we love. Until we meet again grandpa, I love you.
