“ I was a 1966 classmate of Lloyd's and am proud to call him my friend!
Lloyd was always a straight shooter and always seemed to be in a good mood.
I loved the conversations we had over the years and wish now there had been more of them.

“ Lloyd was always kind and playful, no matter what the situation. Nevertheless, he was always honest.

Bringing those three together... kind, playful, honest... is nothing short of spectacular.
