“ My heart is heavy with sadness upon learning of Mark's passing. When I think of Mark the memory is followed by "one of the good guys ". We all have special times in our lives and one of them for me was working with Mark in the 80's. I've never forgotten that sweet smile & witty mind of his. He could turn anything negative into positive and gave help to anyone who needed it. Change happens and people move on but anytime throughout the years when thoughts of those who have touched my heart pause in my mind, Mark is one of those people. I know he will be surely missed by those who stayed close to him & his loving family. There is comfort in knowing he is with his Lord father.

“ I always remember him happy. Never sad. Even when you knew he wasn't doing well he still had a smile on his face. That is something i will never forget. God definitely has a very special Angel up there with him now. You are missed Uncle Mark. However I'm happy you are in a better place now.
