“ *Dearest Grandma,  
I will always remember you with great  
fondness as a loving grandmother with a big,  
infectious laugh and even bigger smile. Your  
joy for life and adventurous spirit will continue  
to be an inspiration to me. I remember receiving gifts as a child from  
your many travels and thinking how exciting your life must be! You  
will be greatly missed here, but I'm sure your next adventure has  
only just begun.  
With love always,  
Alicia*

“ In loving memory of all of the wonderful times with you, Mom, from traveling in the camper...

*Grand Canyon, Yellowstone, and all the fun times we had and how you would yell, “Norm!” While hanging on for dear life to us boys when you thought we were in danger! We had a wonderful childhood and knew we were loved, my two brothers and I. Later, my family enjoyed visiting you and Dad in Florida and more recently in Grove. Though we cannot currently travel for the service due to health reasons because of the pandemic, know you are loved and we will attend the service online sending our love to you and all of our family there.*

*Your son,  
Doug*

“ I was so sorry and shocked to hear of Phyllis' passing -- it was not expected. May she rest now, free of the problems that plagued her for so long.

“ I met Phyllis when I was very young, as she and her family lived next door to my best friend when I was in the sixth grade. My family and hers moved to Rowland Heights, California the same month in 1968. I met her son, Doug, the first day of school and remember the first time I saw him. Over time, I got to know and love her and her family. Doug and I were married in 1975. Phyllis was a proud mother, grandmother, great grandmother, aunt and great aunt. Above all else she loved her family and was a warm, welcoming and loving person and mother in law. I will always remember her cheerful greeting, “Well hi babe!” Whenever I would call her from California. She would catch us up on all of the family news. She loved to laugh and had a joy for life and a strong faith. She will be missed greatly, but is in a better place now.
