

Pyper Holt

December 17, 2017

Pyper Lindsay Holt, age 11, unable to ever walk or run, danced through Heaven's gates, Sunday December 17, 2017, as she passed from her mother's arms into Our Lord's.

Pyper was born in Joplin, Missouri, died in Dallas, Texas, and saw as much of the world in between as her family could show her. Although she passed at Dallas Children's Medical Center, Pyper spent most of her time in and out of Children's Mercy Hospital in Kansas City, Missouri. She suffered from multiple health complications stemming from a rare genetic mutation disorder. She was a miracle from the moment life began and to know her was to love her. She was adored by her family and touched the lives of her communities both in Grove, OK and in Kansas City and most recently in the DFW area of Texas. She will be celebrated and deeply missed by her doting parents, 4 loving siblings, grandparents, great grandparents, and a whole host of aunts, uncles, cousins, doctors and nurses.

A celebration of Pyper's life will be at 2pm Friday December 22, 2017 at the First United Methodist Church of Grove, with a reception to follow.

Donations can be made to the Ronald McDonald House Charities of KC:
