“ Saddened to hear of Robert's passing. To Wilma, my classmate Coby, Casey, Tommy, Cindy and Bobby my sincere condolences. I remember fall 1976 selling Robert an old Chevy Biscayne that he wanted to fix up. At the time the ignition wiring in the steering column was messed up and you had to cross the posts on the starter to get it running. Robert said he could fix that. Wish I could be there for the service. Attaching a pic of GPS bus drivers from my 1977 yearbook. John Ruth Gallatin, TN johnmruth@comcast.net 615-485-6185

Forgot to mention, the 1969 Biscayne was originally owned by Paul Smith, Kent and Kevin's dad.

“ *Mr. Jeffries was my bus driver in the late 80s. My sister and I were the some of first ones on the bus and the last ones off the bus, so we had lots of quality time together. I remember his smile and his witty sense of humor. He was such a nice guy and even though we only rode the bus for about a year and a half, he made such a impact on me that I remember him all these years later. I would've recognized him instantly. I am so sorry for your loss and so thankful I have the opportunity to get to know him.*
