“ Rodney was my friend for a few years. We spent quite a bit of time together. We would go together to our church’s small group on Saturday afternoons. He was a very kind and gentle person. I miss him. God bless you, Rodney, and all his family.

“ Rodney was my father. It's coming up on a year after his passing. He wasn't well through my childhood and my whole adult life. I hope he is resting in peace. Post his passing I have found out he fathered a son older than myself, but the name is unknown. I hope that if he stumbles on this posting, he is welcome to reach out to me.
