

Ronald "Ron" Fisher

May 1, 1948 - June 20, 2025

Ron Fisher passed away unexpectedly on June 20, 2025, in Grove, Oklahoma. He was 77. He was born on May 1, 1948, in Lockhaven, Pennsylvania. Ron lived a life devoted to his family. It was marked by creativity, service, and deep devotion to all those around him.

After graduating Lockhaven High School, Ron enlisted in the Navy as a Seabee. Ron proudly served his country as a Navy Seabee for two years. His time in the military reflected the same dedication and work ethic that he carried throughout his life.

After leaving the Navy, Ron chose to visit Oklahoma never expecting to build his family. He went to work at Arco Oil and Gas in Tulsa, where he met and fell in love with a coworker, Debbie, Roberts, who became his wife. They were married March 6, 1981. Debbie brought to this marriage her 2 small boys, Heath and Jimmy who instantly became his sons. Ron and Debbie's family continued to grow, when next his daughter, Ashley, was born in 1983. He loved his children with his whole heart.

His family settled into life. Ron continued on earning a degree, from Oklahoma State in graphic design, where he was then asked to run the airbrushing department and other art classes.

A man of many talents and interests, Ron's passion was found joy in hunting and fishing—activities that connected him with nature and offered peaceful reflection. He was also an accomplished artist who expressed himself through stained glass creations and airbrush painting.

Whether crafting intricate designs or casting a line into still waters, Ron approached each endeavor with patience and care.

February, 2023, Ron found salvation in our Lord Jesus Christ. Ron was a faithful member of Mountain Movers Church, where he lived out his servant's heart through "acts of service—his love language". Known for his easy going and happy demeanor, Ron was thoughtful, appreciative, and had a kind nature that made others feel welcome and valued.

A caring husband, father and Poppa, Ron cherished his family. He had a generosity of spirit that has left a lasting impression on them as well as all who knew him.

A devoted fan of Penn State football and Oklahoma State softball, Ron cheered passionately for his teams. These loyalties reflected both his roots in Pennsylvania and the life he built in Oklahoma—a blend of past and present that defined much of who he was.

Ron is preceded in death by his parents, Robert and Betty; his infant sister, Barbara; and his brother, Daniel.

Left to cherish his memory is Debbie Fisher; his son - Heath Fisher and fiancée Teresa and their children, Allison and Garrett; his son - Jimmy Fisher and wife Tara and their children, Emilee and Killian; and his daughter - Ashley and Matt Tipton and their children, Presley, Remi, Dani, and Levi.

A Celebration of Life will be at 5:30pm Sunday, June 29, 2025, at Mountain Movers Church.

In honor of Ron's memory, and in lieu of flowers, donations may be made to assist in final expenses through Nichols Stephens Funeral & Cremation Services at: <https://square.link/u/7iK3CE1k?src=sheet>

“ I am Yiselis, Momma Debbie and Poppa Ron came into my life 2 years ago. They mean so much to me. I was able to hear all about their life and had the privilege to see where they are now. It was a hard phone call to receive and only wished I lived closer, but then I was taken back by this sudden joy and all I could hear was Man of Valour. Poppa Ron encouraged me through his testimonies and his bold walk for God! See you later Poppa Ron! ☐ “And the angel of the LORD appeared unto him, and said unto him, The LORD is with thee, thou mighty man of valour.” Judges 6:12 KJV

I met Ron at the Poker Room at Indigo Sky Casino some time ago. He was one of the kindest, sweetest men I've had the pleasure of meeting. We used to chat, enjoying the company of fellow poker players for the afternoon. I always looked forward to seeing him there, missing him when he wasn't. I feel fortunate to have seen him that week, one last 'Hi', one last friendly hug. I never had the pleasure of meeting his family.

“ My name is Rusty, and my wife Gayla (passed 2/22) and I had almost 40 years with Ron and Debbie, through their close association with in-home daycare. Instantly had a strong friendship, and many prayers were shared along the way. What a blessing it was to watch Ron and Debbie grow the ministry that God gave them at church. Though emotionally gut-wrenching , there is pure joy in my heart , knowing where Ron now resides. Psalm 116:15. 🙏

My greatest joy was learning Ron had accepted Jesus Christ as Lord and Savior. A life surrendered on earth is an eternal life in Christ. He was such a dear kind soul and I know I'll spend eternity fellowshiping with Ron. While he's dearly missed, we'll see him again!!!

Fri 6-20-25 there was a party in Heaven that we can't even imagine, the party when Ron passed into Heaven & sat at JESUS' feet. Felt HIS overwhelming LOVE wash over Ron. The ANGELS sang, the Heaven burst into a gorgeous rainbow of colors....colors we've never seen beforecolors that only come from GOD!!! We mere mortals can't even begin to understand the JOY, the LOVE, the pure HAPPINESS we will feel the moment we get to HEAVEN
