“ *I remember the good times when we went as families in early 70's and rented cabins at Hills Camp, outside of Grove. Lots of shared meals, cards, fishing and swimming. Shelia and I also had some fun garage sales together.*

“ *I am one of the Grove Up Town Girls that went to the Community Center a few days a week to play canasta, and other games. Shelia always had a smile for us. She would stop and talk with us and give us copies of the lunches being served and any important news on what was happening in the area. She will be sorely missed by us all.*
