“ *With much regret I heard just this morning of Stuart's passing. Although I now live in Minnesota, I grew up with Stuart in at Pleasant Valley Junior High and Wichita Heights High School. Although we had not kept touch over the years hearing about Stuart has brought back a lot of good memories. I played baseball with him for so many years in which his Dad Dave coached the team. So many wonderful memories. He had a great family. My condolences and prayers go out to his immediate family...he will be missed.*

“ *Stuart was a client of mine for the past 2 yrs and I considered him a dear friend. He was loyal, kind, always had encouraging words and he always seemed to put a smile on my face. I am so thankful that I got to spend a few minutes with him in the week before he passed, he will always be remembered as a friend and he will be greatly missed. My condolences go out to his children and his grand children. He always spoke of them and expressed how much he loved them!!! What a good soul Stuart was.....*
