“ I lived next door to Dr. Hohmann and Sue when we lived in Skyline Ridge addition. Eric was a baby and I use to babysit for him. They were both lovely people and I have many good memories of them. They loved classical music and would listen to it when I'd be over there. I'm sure I bugged them lol but they didn't show it! Always had ice cream in their fridge that they encouraged me to eat lol! Hope you're doing well Eric! Sincerely Denise Hoskins Horne.
