“ I spent several Hootenanny's sitting under the trees by the creek with Randy while we prepped and cooked our contributions to the party. Randy would help me with the propane tank and be ready to help with anything else that came up. As Bruce and I discussed how to cut up fish the other night, Bruce said I sometimes cut it too small. I quickly popped off, "Randy always said I cut it just right!" When I realized what I had said, I was sad for a little while, but as I thought more about it, it made me happy because my memories of Randy are of how positive and supportive he was of Bruce, Tessa, and I. Love and hugs to Kim and Theron. —Lu Ann DuBois
